

## Chief Tracie Keesee

### Discussion Questions

1. Chief Keesee was discriminated against because she is a female in a male-dominated career. Have you ever been discriminated against because of your race, gender, religion, or other differences?
2. Whom do you trust talking to or seeking help from, when you are facing problems?
3. Chief Keesee struggled with math in school. Is there a subject that is difficult for you? What do you do to work through that subject?
4. Would you ever want to be a police officer like Chief Kessee?
5. In middle school, cliques were difficult for Chief Keesee to deal with. Have you ever been excluded or had to deal with cliques? What did you do to overcome this?
